Doug Holley stated that he will start searching for a building inspector tomorrow. Kevin Jensen stated that he could fill in. It was questioned if it would be a conflict of interest. Jordan asked about the current Kendall County Inspector and Scott said that he is not interested. It was asked if anyone knows whom Sheridan uses. Scott said he would work with Doug to help fill the position.

Janet Blue stated that 52% of the registered voters voted and that the Board members and people running should be proud of their efforts.

Tim Mlsna asked if a building inspector has to be present when the administrative search warrant is executed and Derke stated yes. Mr. Mlsna questioned this since the Village does not have an inspector now and Derke stated that it would still be probably a month until the warrant was issued so this wasn't a pressing issue.
